

TOOLS AND SHARP OBJECTS POLICY

Due to the risk of cuts, puncture wounds or lacerations presented from tools or sharp objects left in exposed areas, all tools and sharp objects (e.g. open blade knives) should, when not used, be stored properly in a place where they do not pose any danger to passengers or crew.

MEASURES TO BE TAKEN WHEN THIS POLICY IS VIOLATED

All employees are responsible for reporting every suspected violation of this policy to the QHSE Manager /DPA/CSO. A serious violation may lead to compensation claims and dismissal, and if the violation is very serious, the result may be a report to the police and prosecution.

ANTI-RETALIATION POLICY

Retaliation against individuals for reporting violations of this policy will not be tolerated. If you believe you are being retaliated against, immediately report it to QHSE Manager or DPA&CSO
